

We invite you to cooperation

Dear suppliers and contractors!

JSC Ferrexpo Poltava Mining invites you to become an accredited supplier and take part in ongoing tenders for the supply of materials, goods and services for our company.

Before completing the accreditation procedure, only tenders of the "open bidding" category are available for viewing on the website, without the possibility of submitting commercial offers.

After completing the accreditation procedure and receiving a password, you will be able to:

- view all tenders, not just "open bidding"
- submit commercial offers through the website

<http://tender.ferrexpo.poltava.ua/>

To fill out an application for accreditation and provide copies of documents required for accreditation, please go to:

<http://tender.ferrexpo.poltava.ua/registration>
